

Thanksgiving Update

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday; our facility will provide the residents with a Thanksgiving meal and our Activities Department will provide each resident with a dessert of their choice.

Also, as a reminder, visitations will not be allowed. Exceptions will be made for compassionate care situations.

As a reminder, our total number of cases to date are as follows: 34 residents and 31 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Fairfield Nursing and Rehabilitation Center, I wish you a happy and safe Thanksgiving.

Sincerely,

Charles Woodberry, MS., LNA
